

FREEMAN MARINE'S Top Hung Sliding Doors offer inflatable gasket weather tight sealing. Sliding doors can be specified in virtually any size required and in a variety of configurations in either single or bi-parting panel styles. Custom sized windows designed to complement adjacent vessel windows can be ordered. Passive solid panels as well as sidelights are also available.

FREEMAN Sliding doors are finished in yacht-quality linear polyurethane and offer attention to detail, durability, performance and style not found in lighter duty sliding doors.

Typical Installations:

- Aft Salon Entry • Main Foyer Entry
- Heavy Weather Locations
- Frequent Wash Down Locations
